

2018 DHSWP Auction Hostas

Almost

Mature Size: 10" T x 20" W

Shiny green leaves held on very red petioles with the red reaching almost halfway into the center of the leaf. Purple Flowers. (Wrede 05)

Amalia

Mature Size: 16" T x 38" W

Variegated sport of Dancing Queen. Tolerates morning or late afternoon Sun. Lavender flowers. (Jan van den Top)

Armani

Mature Size: 20" T x 40" W

Big dark green leaves with a nicely rippled edge. One of the biggest hostas with red petioles. Fast grower. (Danny Van Eechaute 2015)

Blueberry Cobbler

Mature Size: 8" T x 18" W

Rare September blooming frosty blue hosta with some purple on the petioles. Pale lavender flowers. (Solberg 09)

Blushing Blue

Mature Size: 14" T x 28" W

A nice seedling from a cross of H. longipes hypoglauca and H. 'Salute'. Similar looking to 'Purple Haze' but red last much longer. Lavender flowers. (Tom Van Elst)

Celtic Bouquet

Mature Size: 22" T x 41" W

Glossy green foliage with heavy substance, deep impressed veins and red petioles. Black purple scapes with red Purple bracts. Abundant dark lavender flowers. (Don Dean 2011)

Crocodile Socks

Jan Van den Top brings us the tetraploid form of H. 'Alligator Shoes'...thick green and pebbled leaves have a very wide creamy-yellow border that often streaks to the center. Medium size and soft lilac flowers.

Crinkled Leather

Mature Size: 22" T x 34" W

A fantastic blue from Don Dean with thick blue leaves that are crinkled, folded, and cupped with a wavy edge. Pale lavender flowers.

Evening Blush

Mature Size: 15"T x 36"W

Vase-shaped mound of intensely blue-green leaves that have nice white back-sides. Leaves are slightly rippled and held on red petioles. Speckled purple flowers. (Don Dean 2013)

Holar Purple Flash

Mature Size: Medium Size

Pointed leaves are lightly cupped, wavy and held atop red petioles. Each leaf holds a strong 'purple flash' through the center of leaf from spring to early summer. (R. Van Keer NR)

Lakeside Prophecy Fulfilled

Mature Size: 17"T x 30"W

A white edged sport of the popular hosta 'Lakeside Prophecy', gorgeous green pebbled leaves with an irregular white margin. A garden favorite to all those who have seen it. Lavender flowers. (Chastain 2006)

Monkey Business

Mature Size: 15" x 30"W

Sport of 'Funky Monkey'. Long arching leaves are nicely rippled and held on red petioles. Very thick, plastic like, slug resistant green leaves and wide gold Margins that are often misted with green. (Naylor Creek/Fransen NR)

Moulin Rouge

Mature Size: 14" T x 30" W

A smaller version of 'Kiwi Full Monty' but with different colors and leaf shape. Wavy dark green leaves have a lighter green center and the "family" white line separating the two greens.
(Danny Van Eechaute 2010)

Mouse Trap

Mature Size: 6" T x 12" W

Thick bright white leaves with blue-green margins. Very thick leaves are wavy and contorted. Smaller sport of 'Blue Mouse Ears'. White centers stay all summer. Lavender flowers
(Shady Oaks Nursery NR)

Night At The Opera

Mature Size: 18" T x 54" W

Gorgeous clump of thickly layered green leaves with a wide and wavy yellow border. The leaves are moderately wavy, broadly ovate and lightly twisted.
(Don Dean 2014)

Number Nine

Mature Size: 12" T x 26" W

First hosta introduction from Gerhard Ragus the light green leaves are nicely ruffled and have purple veins in the Spring. Pale lavender flowers.
(G&R Ragus 2015)

Obscene Gesture

Mature Size: 18" T x 45" W

Reverse sport of 'Kiwi Full Monty'. Creamy white border frames the blue green leaf center and the typical white 'Striptease' thin white line runs between the two. (Anderson NR)

Ruffled Pole Mouse

Mature Size: 6" T x 12" W

Sport of 'Green Mouse Ears'. This one is more stable than some of the other mouse ears and the leaves fold somewhat just like its parent. (Jan Van den Top NR)

Silver Threads & Golden Needles

Mature Size: 6" T x 12" W

Sport of 'Stolen Kiss'. Can handle a lot of sun where the best coloring will appear with lots of white in the leaf. The Chartreuse yellow leaves have an unusual central pattern green that takes up 80% of the leaf area. (Anderson NR)

The King

Mature Size: 20" T x 50" W

Cream-margined stabilized sport of the streaked 'Sir Richard'. The margins slowly fade to creamy-white as the season progresses. Leaves are moderately corrugated.

The Sweetest Thing

Mature Size: Medium Size

Shiny leaves with creamy-white streaks and a wavy margin on this 'Invincible' seedling. Makes a dense mound and really stands out with it's FRAGRANT lavender flowers. (Hanson/Fransen NR)

Tokyo Smog

Mature Size: 12" T x 24" W

A very unusual Hosta longipes selection from Japan. Leaves are white and evenly speckled with green flecks. The leaf petioles and flower scapes are red. Foliage has lightly wavy edges, nice substance and looks good all season, as longipes-type plants always do. (Vandekinderen NR)

Totally Twisted

Mature Size: 12" T x 30" W

The name says it all with this hosta. The light green leaves are rippled and completely unruly in behavior. Most leaves will make a complete twist at the tip showing off the white undersides of the leaf. (Scheer NR)

Unruly Child

Mature Size: 12" T x 26" W

This introduction involves a complex series of crosses involving H. yingeri, H. kikutii, H. longipes, H. sieboldiana, H. plantaginea and H. sieboldii finally culminating in 2005 with this hybrid. (Avent 2012)

Seducer

Mature Size: 24" T x 36" W

The gold margin are slightly wavy which adds to the beauty of this hosta. In the summer heat there is a white area in between the leaf center and margin color That creates a halo effect. (Asch 2004)

Donated by Gary & Susan Gahagan

Ripple Effect

Mature Size: 10" T x 15" W

Sport from H. 'June' and about the coolest 'June' sport imaginable with leaves that are wildly twisting and curling with June coloring's with bright yellow with thin blue margin in spring. (WG 2008)

Donated by Chuck & Ann Olescycki

Munchkin Fire

Mature Size: 4" T x 9" W

Vigorous grower that is perfect for troughs, containers or small gardens. Lavender flowers in mid-summer that contrast nicely with the gold foliage. (R. Goodwin 2009)

Donated by Gary & Susan Gahagan

Country Mouse

Mature Size: 3" T x 8" W

First things first, this is NOT a true Mouse Hosta but a sport of 'Bill Dress's Blues' which adds a nice white margin to the small heart-shaped blue-green foilage. Has good growth rate. Lavender flowers. (Shady Oaks 2007)

(2) Boracay

Mature Size: 14" T x 24" W

Sport of 'Captain Kirk' that goes through many leaf changes during the season. Leaves emerge green and then develop a shadowy yellow center. Center turns dark green with a white border. (van den Top 08)

Donated by Keith Portka.

Smokey Bear

Mature Size: 30" T x 64" W

Huge, round gray-green leaves are heavily puckered and have great substance. Even though the leaves are quite round they still have a pointed tip on them. Near white flowers. (Petryszyn)

Donated by Gary & Susan Gahagan

Rolling Garden Scoot (actual scooter)

The adjustable rotating steel seat will take the stress off your back so you can plant your flowers, vegetables and plants without back pain. Also allows you to sit and weed your garden.
